meeting.
Discussed separation of general complaints and umpire-specific
complaints, with the latter overseen by USC and maintained in a log for
transparency and trend identification.
transparency and dental
Lengthy discussion around conflict of interest, especially for those in
both official association and club roles processing complaints. Strong
desire for a written policy ensuring neutrality, possibly requiring
complaint managers to step back when involved parties are from their
club.
Identified a need for improved communications on complaints status to
panel members. Ongoing
Review of work arrangements hours/delineation of duties Simone & Angie

Attached Report (July 2025)

6. General Business

a) Points Table: Snr A Res 2 and Jnr B1

When working out final team placings and following the By-Laws we still have 2 divisions that are tying for places. Need to have an additional method for tie-break situations.

Discussed different options and all agreed that the fairest option is For and Against.

b) Multi-sport Precinct 1 or 2

c) Perpetual Trophy winners

Sportsperson of the Year awarded to Kaylee Acton.

Liz Zamit Memorial (Most Promising Junior A Grade Player) awarded to Kaylee Acton after careful discussion and comparison of candidates.

Volunteer of the Year: single nomination, award to proceed.

Umpiring awards (junior and senior) deferred for final panel recommendations.

Fv Puggles Finals Player Request (attached)

d) Finals availability for assistance in office

Discussed availability. Roster to be sent out.

e) Rep Umpire EOI

New process for Rep Umpires – will be required to complete an Expression of Interest Application. Same process as Coaches and Managers.

f) Cleaning

Discussed quotes that have been obtained.

Agreed to go with Whytes.

g) NetSetGo, Brothers NC

Discussed issues arising with the product of 'Net/Set/Go' being available in Netball Connect. RNA does not offer this program and therefore it is causing confusion with parent that are expecting to receive the 'pack' associated with the program.

Request to be sent to Netball Queensland to have the product removed.

h) **USC** – changes being implemented (umpire complaints policy)

Discussed in previous Complaints section.

i) Gender issue

Lengthy discussion about updating club and association policies to address gender identity, inclusion, and grading, especially for non-binary and transgender players.

General agreement that biological sex is used for grading, with documentation (birth certificate) possibly required for those registering as non-binary.

Recommendation to double-check legal and Netball Queensland alignment.

j) General Maintenance

Wooden retainer wall around Courts 2 & 3

JB has asked Zac to have a look and do an assessment for the structures stability. Immpression I got was that they would look at repairing/replacing this in needed if/when they do courts 2, 3, 4 and 5.

Next meeting with JB RE: Future Site Planning

JB did mention that he has emailed us about meeting to discuss the future of the site, what that looks like etc. He said that he is happy to come in one night to meet with us if that works better, we just need to let him know when you are available.

k) CQU - Calendar
